

HONDO, MEDINA COUNTY, TEXAS, FRIDAY, JULY 13, 1956

DL NO. 71

B. GASTON, right, explains grain sorghum yields to R. D. Burden, Hondo; Henry Lee Keller, Castroville; and C. W. Harris, San Antonio. The picture was taken at last Friday's grain

sorghum demonstration on the Reynold Keller farm, one mile east of Castroville. More than 40 persons attended the all-afternoon affair. —Staff Photo

Irrigation Makes Difference

Grain Yields Given

More than 40 persons attended the grain sorghum demonstration on the Reynold Keller farm, one mile east of Castroville, last Friday.

The grain sorghum plot, one of several planted throughout the county, is the only one living. Irrigation made the difference, according to C. B. Gaston, county agent.

Planted March 24, the plot was watered three times, with eight to nine inches of water during the entire operation. It was planted for a production plot on grain sorghums and forage sorghums. The seed was furnished by Extension Agronomist Ben Spears.

Purpose of the plot, according to Gaston, is to check the production of new Texas hybrid grain sorghums with more com-

monly planted varieties. Some new open-pollinated varieties were also planted.

The grain sorghums haven't been harvested as yet, so production records are not available. Gaston says the birds have harvested most of the seed. Dry weather prevents them from finding feed elsewhere.

There were six varieties of grain sorghums planted — Texas Hybrids 590 and 610, Martin, Redbine 66, Combine Shalla and Caprock — and five different varieties of forage sorghums. The forage sorghums, chiefly recommended for silage or fresh-cut green feed, produced as follows:

Honey, 40.43 tons per acre; Sart, 33.81 tons per acre; Tracy, 26.66 tons per acre; Atlas Sorgh,

21.56 tons per acre; and Hi-Hogari, 18.13 tons per acre. The production records are based on green weight.

"From reports received over the country on Texas hybrids, they are beating all open-pollinated varieties by 25 to 30 per cent," Gaston said. "Texas Hybrids 590 and 610 look like they will be the one recommended for planting in this section of the state next year," he added.

Seed producers hope to have seed available for the 1957 crop year.

★ TAI Birthday Edition Next Week

Next week's edition of the Herald will be a special, in observance of Texas Aviation Industry's fifth anniversary.

Features, complete with pictures, will be presented to give the people of this community a better understanding of the operation of Hondo Air Base.

Regular news coverage will also be in the paper.

73 Votes Are Counted

Medina Lake Vote

By W. L. DuBoise

On the whole, we were disappointed with the small amount of answers we received from our poll of farmers of irrigated land, but, considering the fact that we do not have the time or money that Mr. Gallup has, we had pretty good results.

A total of 61 votes were turned in to the Devine News and a total of 12 were turned in to the Hondo Anvil Herald. These make a grand total of 73 votes out of which 61 voted to sell the lake, 10 voted not to sell it and 2 were undecided. Speaking in terms of percentages, 83.6 per cent voted yes, 13.7 per cent voted no and 2.7 per cent were undecided.

In regards to comments, approximately half of the persons answering the poll made suggestions as to operation, expenses, etc. The most oft repeated comment was "cut expenses and drop flat rate for water which we do not receive". Approximately fifteen persons made the above statement. Six persons said that it would be too expensive to put the lake back into operation, and six also said that there is too much land to irrigate when water

is plentiful. Five persons suggested changes in the board. Most of these said that they had nothing personal against the board. One suggested that an experienced businessman be elected to the board. Another said that he merely wanted a board that is for the sale of the lake. Others stated that they wanted

men who could devote their full time to the project.

Two of those who voted against the sale of the lake suggested that expenses be cut down and the flat rate dropped.

But as of yet San Antonio has not shown any open interest in Medina Lake. One reason is that they are as busy as a cat on a tin roof fighting for some of the proposed Canyon Dam water. And they really have a fight on their hands. Included along with the numerous small towns fighting San Antonio are Seguin, New Braunfels and San Marcos and Seguin depends solely on the Guadalupe (the proposed dam will be on the Guadalupe west of San Marcos) for city water. But the main point is San Antonio has not officially said anything about Medina Lake.

Sealed Bids Returned By Board

Medina Electric Cooperative refused all bids for their building in a Board of Directors meeting this week.

"The Board felt they could find a more advantageous price," Riggs Shepperd, Medina Electric manager, said.

All bids were returned to the bidders, and the building will be placed for rent, lease or sale. The city of Hondo was high bidder on the building.

State Insurance Man Lists Hondo Fire Needs

Key Rates Are Higher Than Most Cities

Hondo's key rate on fire insurance is running about 20 cents above that of other towns the same comparable size.

The key rate is now 64 cents in Hondo while in Devine, it is 42 cents. Pearsall has a key rate of 50 cents.

Insurance inspectors have given undersized pipe in the mer-

cantile area and a 20 per cent deficiency of water pipes in the residential area as the main causes of the high insurance rate. Other things entering the picture here includes the possibility of 50 per cent of the residential houses having shingle roofs and no written fire reports filed with the State fire insurance department.

Another five cents could have been saved had three firemen attended the fireman's training school, now being conducted at College Station. Arthur T. Dale is the only fireman from Hondo attending the affair. This will allow a three cent reduction, if Dale passes the course. Two other firemen were unable to go, due to personal matters.

Hondo is also penalized 10 cents for not having a proper building law. The building law code in insurance books is general and gives no standards for comparison.

The fire marshal, as explained in the insurance key rate books, shall investigate all fires and make regular inspection of mercantile, manufacturing and public buildings, report of the same to be made to the Texas Fire Insurance Department. The city is penalized three cents on key rates because the fire marshal does not file written reports, according to insurance records.

Rates have been increasing each year. From 1953-55, key rates were 60 cents. Then, in January, 1955, the rate jumped to 62 cents and in September, 1955, it again jumped two cents, making the rate 64 cents.

The Hondo City Council discussed these things at their meeting Thursday night. Since the Herald is printed on Thursday afternoon, we cannot carry that story until next week.

Indian Group To Appear Next Week

The Sahawe Indian Club, a youth organization, will make a personal appearance in Hondo next Saturday night.

Sponsored by the Hondo B&PW Club, the show will start at 8 p.m. at the high school football field. Admission is \$1 for adults and 25 cents for students.

The Uvalde Kiwanis Club sponsors and books the group in their presentation of Indian ceremonial dances. They make trips each summer and have visited Missouri, Oklahoma, New Mexico, Louisiana, Arkansas, Kansas and all parts of Texas.

The Sahawe Club has its own equipment, including hand-made costumes, colored lights, public address system, tepees and other stage equipment for a complete show.

They will appear one night, July 21.

City CD Has Three For Meet

Out of the 254 counties in Texas, 252 have had major disasters within the last nine years.

These striking figures were presented at the first Hondo Civil Defense meeting held in the courthouse Monday night. Three persons, besides Mrs. Lillian Brucks, Hondo Civil Defense coordinator, and Dan O'Connell, county coordinator, attended the meeting.

These major disasters have killed 970 persons and injured 5,262. It has damaged or destroyed 91,585 buildings, which affected 83,327 families.

Texas is number one in the United States in the number of major disasters per year.

Medina County is one of the two counties without a major disaster marring its record.

"The only consolation out of Monday night's meeting is that I topped Pappy O'Daniel's crowd by one—three people were present for the meeting," Mrs. Brucks said.

Sometimes, during the latter part of July, a national emergency practice alert will be broadcast. At that time, television and radio broadcasts will be cut off the air. Only radio cycles 640 and 1240 will be used.

"If this were real instead of practice, Hondo's Civil Defense preparation would fall far short in meeting the crisis," Mrs. Brucks said. "But the end of July should see us with an operating organization."

Medinans Can Cast Early Vote

Medina County voters can cast absentee ballots until July 24, according to the County Clerk's Office.

Those persons who expect to be absent from the county July 28 should come to the office or write for their ballot and include their poll tax receipt. The ballots will be counted July 28.

Anyone physically unable to be at the polls should have a doctor's certificate to that effect, in order to get their absentee ballot.

BREAKING GROUND for Texas Lutheran College's new \$170,000 Dining Hall is Milton Schultz, junior classman from D'Hanis. Schultz represented the TLC student body at the ceremony held Monday morning. At right is Dr. Edward Sagebiel, TLC president. Also taking part in the rite was the Rev. Vernon Mohr, newly elected president of the Texas District, American Lutheran Church. The new dining hall will seat 420 students at one time when completed. —Seguin Enterprise Photo

Marine recruiter was here Tuesday morning, signing up recruits. We didn't hear how many young men he registered.

rbcb Ladies' hand bag has been turned in to the Sheriff's Department. It is leather and has some in it. Anyone who can identify the purse and contents can have the same. It was found near the First Methodist church.

rbcb The Hondo Lions have voted to raise \$200, funds permitting, to the Hondo Little Leagues. The league plays each week at 5:30 p.m. If anyone knows league leader, we would like to share the knowledge with you.

rbcb Medina County has been designated as a disaster area and eligible for assistance under 1956 Emergency Feed Program. Farmers and ranchers may file applications for assistance in the County ASC Office through Aug. 31, for a supply of feed grain sufficient to carry livestock through Sept.

rbcb July 20 is the last day to sign for the 1956 Soil Bank agreement. The County ASC Office has copies of the Soil Bank Reserve agreements, available for signature by farmers wishing to participate in the program. A producer who has already planted his allotted crops as until July 16 to plow or cut in order to reduce the acreage below the allotment. The agreement should be signed before the farmer does anything in his acreage.

rbcb Hondo's Boy Scouts will head camp July 29. They will go to a camp near Kerrville for a week stand. Ralph Jones, leader of the local scoutmasters, will accompany the group of boys to camp. There will be approximately 30 boys attending from Hondo.

rbcb "Yield-right-of-way" signs have been placed on some of the streets in the Hondo Air Base area. A number of automobile accidents during the past few weeks prompted the action.

rbcb Next week's paper will be a special edition, in observance of Texas Aviation Industry's fifth anniversary. Special feature articles from the Air Base will be carried, along with regular news coverage.

rbcb Civil Defense in Hondo got off to a slow start Monday night when only three persons showed up for the courthouse meeting. Mrs. Lillian Brucks, Hondo CD coordinator, went right on with the meeting, discussing disasters and their destruction, pointing out Civil Defense's job in such cases. Medina County is one of two counties in the state that has not had a major disaster within the past nine years—let's just keep our fingers crossed!

Commissioner Court OK's \$19,000 Payment

Medina County's Commissioners Court, meeting in regular session Monday, authorized the payment of \$19,000 to the First of Texas Corporation of San Antonio.

The payment was from a 1953 election, authorizing the issuance of \$100,000 Medina County Road and Bridge Warrants, series of 1954 and dated Jan. 1, 1954, at three and one-half per cent interest. The warrants mature serially from 1955 to 1956 inclusive.

The court approved the payment and authorized the county treasurer to register warrants with the San Antonio corporation.

And, at the same time, the court let a contract to J. W. Buchanan for 6,000 six and one-half foot fence post and 500 ten foot long corner posts. The fencing is being done on the new right-of-way between Hondo and Bandera.

According to County Judge Arthur Rothe, paving of the highway will probably begin sometime around Sept. 1.

In other business, the court authorized the county treasurer to send \$55 to County Judge A. M. Edwards of George West.

Legion Names Officers For Coming Year

NATALIA—L. E. Bullington has been named commander of the Bradshaw-Herring McCoy Post No. 371, American Legion.

Other officers elected for the coming year include George L. Harris, first vice commander; Wayne Barber, second vice commander; Edward Saldana, adjutant; B. C. McDonald, finance officer; Frank Sanders, sergeant-at-arms; William N. Forbes Jr., service officer; Frank Fluegge, custodian; Lloyd G. Robins, child welfare chairman; and E. H. Whittington, chaplain.

Newly elected officers will be installed Aug. 9, the next regular meeting.

H. Salzmann Struck While Watching TV

Henry Frank Salzmann, born at Atascosa Feb. 22, 1883, died at his home in LaCoste July 7, at the age of 73 years, four months and 15 days.

He was married to Alvina Biediger Oct. 8, 1907.

Rosary was recited at 8 p.m. July 8 by Father Armand Weber and the St. George Society. Services were held at Our Lady of Grace Catholic Church at LaCoste July 9, with Father Armand Weber and Father Henry Hug officiating. Interment was in Our Lady of Grace Cemetery.

Salzmann is survived by his wife, four sons, two daughters, 18 grand children, three great grand children, four sisters and two brothers. His sons are Clemens, Raymond, Wilfred and Milton. He is also survived by his daughter, Cecelia Etter, San Antonio; and Miss Mary Salzmann, San Antonio.

Pallbearers were E. Thomas Frey, E. J. Conrad, Alex Conrad, Richard Biediger Sr., Marvin Salzmann and Leo Etter, all nephews of the deceased. Salzmann was a rancher by profession.

LACOSTE NEWS

By Mrs. Ida Jungman

Mrs. Florenkna, Winters and
Airman First Class L. T. and
Mrs. Winters and son of Mark-
ham, spent several days with
Mrs. Bertha Jungman and fam-
ily, on Rt. 9, San Antonio, last
week. Airman Winters is on a
30-day furlough, after which his
next assignment will be Tripoli,
in Libya Africa.

M&M Charles Bauerline, of
Hollywell Rd, attended the
funeral of Charles Hoch in Rose-
lawn Cemetery Saturday morn-
ing.

Mrs. A. E. Salzman and sister,
Miss Mary Salzman, Mr. Hutzler,
Mrs. William J. Engelbrecht, all
of San Antonio were out Sunday
night for the rosary in Castro-
ville, for Mr. Hy Salzman.

M&M Frederick Bauerlein,
Ronnie and Diane, spent
Sunday in the Charles R. Bauer-
lein home, on Hollywell Rd,
near LaCoste. Messrs Jim and
Walter Krvegar of San Antonio
were brief visitors here Sunday
morning with the Earnest Krve-
gar family.

M&M Geo. Jungman and chil-
dren of Spindletop, visited with
M&M William R. Keller, in the
home of the Vincent Kellers and
reported Mrs. Keller improving
slowly after quite a sick spell.
Mrs. William Neuman has been
quite sick the past week but is
doing nicely at last report.

Mesdames Victor Tondre of
Castroville, and Allie Tondre of
here, visited Mrs. Joe L. Tondre
in the hospital, Thursday after-
noon.

Sharon and Pam Heath, of
here, spent the weekend with
M&M Folschinsky in San An-
tonio.

M&M R. J. Mangold, M&M
Wesley Hutzler, Gary, Peggy and
many others from here, were at
Devine for the church dinner in
Keller's Park last Sunday.

M&M Wilbur Leosberg and
son of Lytle, spent Sunday with
M&M Oscar Hanfman near La-
Coste.

Joe Gross of near D'Hanis,
Lev. Jungman of San Antonio
and M&M Freddie Stine of Rio
Medina, were here for the Salz-
man funeral Monday morning.

Wool producers will get an in-
centive payment equal to 44.9
percent of the net proceeds of
the wool they marketed during
the 1955 marketing year. Pay-
ments are now being made to
wool producers through county
ASC offices.

REMEMBER WHEN...

JULY 10, 1936

Hondo's Luncheon Club enter-
tained four distinguished guests
at a luncheon Wednesday, the
guests being Congressman Mil-
ton West, President C. S. Fowler
of Nueces Valley Conservation
District, John Smiley of Sabinal
and Dr. J. M. Cavender of Rio
Frio, director of the Board, Con-
gressman West addressed the
meeting, saying he went to Con-
gress for the purpose of serving
his district. And it is added that
"his district has received the
largest allotment of public funds
of any district in the Union".

Mrs. H. J. Meyer entertained
with a bridge party Tuesday
afternoon as a farewell to Mrs.
M. S. Broxton who, with her hus-
band and little son were leaving
for Asherton to make their home.
Russell Mills Chapman and
Miss Mildred Carter of San An-
tonio ere married on June 27;
as were, also, B. C. Rucker and
Miss Mary Alice Ware of Hous-
ton.

Tax Refund Booklets Available

A 15-page booklet, designed to
help farmers file claims for
federal tax paid on gasoline for
farming purposes, is now avail-
able.

Titled "Publication 308", the
free instruction book explains how
to claim a refund of tax on gaso-
line used during the six-month
period of Jan. 1 through June 30,
of this year.

They may be obtained at the
local County Agent's office or
from the local Internal Revenue
office.

Refund claims must be filed
between July 1 and Oct. 1.

Bobby Taylor Will Head
Sodalitiy

Bobby Taylor has been elected
president of St. John's Sodality.

July 15, 1916

Judge R. H. Burney, after hav-
ing served as District Judge for
twelve years, is announcing for
re-election.

County Attorney Elmer de
Montel and brother, Emmitt re-
turned from San Antonio where
they had been attending military
training. Both were appointed
corporals.

Three Hondo boys were honor-
ed by being made officers in the
Cadet Corps at A&M College.

They were: H. H. Rothe, Com-
pany Captain; N. L. Peters,
Second Lieutenant; and J. C.
Rogers, Sergeant Major.

Commissioners Court orders
construction of two bridges
cross the Hondo Creek: one a
three span bridge at McAnelly
crossing at a cost of \$5,300 and a
low-water 90-ft. span at Moore
crossing to cost \$2,200.

The first bale of cotton of the
1916 crop was brought in by
Louis Moliad on July 8th, was
ginned by the Hollaway gin,
weighed 594 pounds. The bale
was bought by Schmitt & Stein-
kerdt, and with the premiums,
brought Mr. Mofield a net of
\$116.50.

July 17, 1926

Quoting: "Eternal vigilance is
the price of liberty" and adding:
"Likewise—of political safety",
a front page editorial advocates
the re-election of Mrs. Miriam
A. Ferguson, Texas' only woman
Governor.

Hon. A. J. Durham was in
Hondo Monday in the interest of
his candidacy for re-election as
Representative in the State Legis-
lature.

The funeral of Grover C. Goff,
whose death occurred suddenly
at Pueblo, Colorado, July 8th,
was held here Sunday and inter-
ment made in Oakwood ceme-
tery.

VFW Names Officers From County

Marvin Franger, LaCoste, was named District 11 Commander of the Veterans of Foreign Wars, at the group's state-wide meeting held in Amarillo last week.

Edith Bauerlein, also attending the meeting, was named new president of the Ladies Auxiliary, District 11, VFW.

The VFW Auxiliary met in connection with their brother group. Combined registration for the encampment was more than 1,600.

Kitty May Atkins and Charles R. Bauerlein, also of LaCoste, were at the meeting.

QUIHI NEWS

By Mrs. Jack Sharp
(Delayed)

M&M Arnold Lindeburg and daughter, Shirley, visited Wilbur Lindeburg at Agua Dulce, and M&M Lloyd Lindeburg at Corpus Christi Saturday. Shirley remained to spend her vacation with M&M Lloyd Lindeburg and Nancy Lawson.

Mrs. Katie Muennink was a Sunday dinner guest of Mrs. W. J. Hartmann. Mrs. A. W. Mooney and children, Billy and Kathy, were Sunday afternoon visitors of Mrs. Hartmann.

Mrs. Ewin Bohmfalk and Charlotte, and Mrs. W. J. Hartmann were dinner guests of Miss Annie Wiemers on her 86th birthday Wednesday, June 27, at the home of M&M Theo. J. Wiemers. Other visitors to honor Miss Wiemers on her birthday were, in the afternoon, Mrs. Louis Heyen, Mrs. Gus Muennink, Mrs. Minnie Fuos, M&M Mooney and children, Kathy and Billie, Joyce, Judy, Duane, Patsy and Linda Wiemers, and Dorothy Muennink. Punch, cake, and cookies were served.

M&M R. J. Koch and children of Burleson were weekend guests of their parents.

M&M Wesley Wiemers and children, Evelyn, Dorothy, Betty, and James were Sunday dinner guests of M&M Edwin Meier and Mrs. Helen Schroeder. In the afternoon, the entire family of Mrs. Annie Schoeder gathered at the home of M&M Alvin Dornbusch. The honor guests of M&M Alvin Dornbusch were Robert Hodges and son, Bob, of Monroe, Ga. Mrs. Hodges is the daughter of M&M Dornbusch.

M&M Jack Sharp and M&M R. J. Koch and children, Kyle, and Suz, attended the Sharp Reunion at Kingsville Sunday at the home of M&M John R. Custer.

M&M Alfred Saathoff, M&M Herman Gerdes, and Larry Coyle were sightseeing in Bandera, Mason, Llano and Fredericksburg last week.

M&M Jimmy Gray and children, Frances, Randy, and Pamela, Mrs. Jim Gray, Mrs. Minnie Whetstone, and Bill Wallace enjoyed a picnic at Chalk Bluff, north of Uvalde, Sunday.

Saturday evening, they enjoyed homemade ice cream with M&M Marion Muennink and daughters. Sunday, they with M&M Jay E. Muennink and children, visited M&M Marvin Muennink at Moore. M&M Albert Mummie were Thursday afternoon visitors of M&M Frank Muennink.

M&M Edwin Wiemers enjoyed a vacation last week. Thursday evening, they were host to 25 guests for a barbecue supper. They visited Misses Nell and Lill Muennink and M&M Charles Buss in San Antonio Friday.

Medina 4H Members Attend Camping Trip

Medina County 4-H Club members attended a Rally Day at Camp Cayoca June 27, taking part in swimming, first aid, recreation and public speaking.

After each delegate had registered, they were placed in a color group. Helen Murrell, senior life guard, and three adult leaders—Jim Skarda, R. D. Bippert and Joe Steinle—took care of an hour's swimming for each group.

Mrs. Frances Echtle, Mrs. Hugo Adams and Mrs. Ernest Echtle assisted C. B. Gaston with handicrafts while Mrs. D. E. Hunter and Mrs. D. G. Odum taught recreation.

Mesdames Wendell Griggs, Jim Skarda and Tom Cullins, mixed cold drinks, which were served with sack lunches. After groups were again formed, and participated in wildlife demonstrations given by Edwin Copper, wildlife specialist of the A&M College Extension Service. Another group was swimming while still another gathered to hear round-up camp reports.

Beverly Flack and Sonia Pruitt, electric district winners, spoke on the value of correct usage of electricity and demonstrated good light for the reading center. Good planning by the county

4-H Council and the help of adult leaders, plus cooperation of each present, made the camping trip a profitable day for all attending.

Members of the Natalia 4-H Club, assisted by adult leader, Mrs. H. R. Flack, served on the Registration Committee. Mrs. C. A. Stein and Mrs. A. C. Heath took care of the First Aid Classes.

More than 185 registered for the camp.

Hondo FFA Receives Cash Award

The Hondo FFA Chapter recently received a \$25 cash award from the Future Farmer Foundation for the First Place Senior Chapter Conducting Team of the Area during the 1955-56 school year.

This team qualified for state competition at Huntsville in December, 1955. Hondo has had one other team place first in area leadership contest in past years. The Senior Farm Skills Team took top honors in demonstration of rope making in 1953.

All cash awards and other prizes received by the Hondo Chapter are placed in the chapter operating fund. This past month, the chapter paid expenses of delegates to District Officers Training School and to the Area VII FFA Convention in San Marcos. Official voting delegates to the State FFA Convention in Dallas will have expenses paid.

The chapter receives and pays out over \$450 each school year. To do this, it is necessary to hold various fund raising activities each year. The Food Contest at the Medina Fat Stock Show was the largest money project this school year.

H. D. Agent Gives Talk To Club

"Dinner Salads" was the theme of a demonstration given by Mrs. Estella R. Strayhorn, county home demonstration agent, for the Castroville HD club last week.

The meeting was held in the home of Mrs. Ellis Burgess.

Mrs. Betty Evans was elected vice-president and Mrs. Walter J. Etter, secretary. They replace Mrs. Charles Koch and Mrs. George Herrmann, who are moving to another city.

The club's next meeting will be held in the home of Mrs. Wendell Griggs, July 19.

QUIHI NEWS

By Mrs. Jack Sharp

Mrs. Jim Gray visited her mother and sister in Uvalde Sunday afternoon.

Sunday dinner guests of M&M Frank Muennink were M&M Franklin Muennink and children, Glenn, Karen, and Deborah, and M&M Wilkes Wiemers and children, Joyce, Judy, and Duane.

Mrs. Hulda Wiemers and Misses Nell and Lill Muennink were Sunday evening visitors of M&M Frank Muennink. Mrs. Wiemers and the Misses Muenninks will leave San Antonio July 9, for New York. From there, they will sail for a tour of Europe.

Fletcher Davis

QUOTES SOME POST-JULY 4 COMMENTS — AND ASKS A QUESTION

READ AND CONTEMPLATE

The Fourth of July, Independence Day. What do the words now mean to you? Do you really feel that our Nation is different to all others? Or do you think we ought to become a part of a hodge-podge "world government", giving up the sovereignty of our nation and the last vestige of freedom that we now enjoy?

All over America, after years of tame submission to governmental and "foundation" brain-washing (and which is the worse?) Americans are rousing from their lethargy, reasserting that old spirit of independence and the will to be free again. Farmers are organizing into groups known as "Independent Farmers"; PTAs are determinedly breaking away from the National Congress because national by-laws state, "The purpose of a state branch shall be to promote the objectives and policies of the National Congress," and "The purpose of the local Congress units shall be to promote the objects and policies of the National Congress"—instead of vice-versa.

Business men are making determined efforts to get government out of competition with private enterprise; a Governor of a sovereign state refuses to pay income tax, in order to force a test of the constitutionality of foreign aid, or the squandering of American dollars abroad; men and women cheerfully accept jail sentences rather than conform to government by congressional edict or bureaucracy gone power-mad; governors of sovereign states and senators and representatives in the U. S. Congress refuse to abide by Supreme Court decisions based on sociology rather than constitutionality or even judicial opinion; and open rebellion to the perversion of the two-party system is causing in almost every state of the nation the creation of slates of independent electors who can more nearly fulfill the intent of the 12th amendment, which is the constitutional method of electing a president and a vice-president.

Yes, a nation that has slumbered too long is slowly but surely awakening to the fact that we are plotting (and executing) individual liberty—our Fathers fought and died to give us.

On June 17, 1776, Richard Lee of Virginia moved Congress: "Resolved, that the United Colonies are, and of right ought to be, free and independent states; that they are absolved from all allegiance to the British Crown, and that political connection between them and the State of Britain is, and ought to be, totally dissolved." This constituted the act of Independence.

On June 11 Thomas Jefferson, utilizing the ideas expressed by all his fellow patriots, set on the first draft of the Declaration of Independence, and it in two days. When he finished the rough draft he gave it to his fellow committee members, Adams and Benjamin Franklin. Almost verbatim, except for a few changes in phraseology, they accepted it, and the draft was presented to Congress. It was June 28 to Congress. It was not until Lee's Resolution was acted on. On July 4, the Independence Resolution was passed. Just before the vote, Caesar Rodney came mud-spattered after an without-stopping ride, to break the deadlock in the vote on the New York City, which was still under the vote of the 13 united for the Resolution.

The foregoing observations taken from the personal of Mrs. Mary D. Cain as in her Summit (Miss.) current issue.

1,374,027
People
DID
NOT
DIE

Fifteen years ago, before the wonder drugs were discovered, death claimed 10.8 out of every 1,000 people in the U.S. each year. But today, the death rate is down to 9.2 per 1,000 people — the lowest in history. This means that 1,374,027 people DID NOT DIE in the past 15 years — thanks to the antibiotics, the hormones, and the other, miracle prescriptions which are now available.

THAT'S WHY WE SAY...

Today's prescription is the biggest bargain in history

Correspondent In Russia Reports On The New Look

By Jerry June Berger

The only American correspondent in Russia at outbreak of hostilities in 1941 has given us a long of hope concerning the reluctance of that country to begin another war.

He is Henry Shapiro, manager of the Moscow Bureau of United Press for 15 years. He was one of the correspondents from the western world in Russia during the cold war and his speech to members of the National Editorial Association last month was informative and reassuring to this interested group.

Shapiro reported that de-Stalinization began in the country the day the dictator's death was reported. He called their present government a collective dictatorship, with Krushchev and Bulganin holding the reins. There is liberalization, but the country is not becoming a democracy.

The present regime shows signs of relaxation. People are beginning to develop a sense of freedom as they become less afraid of midnight raids at the door, the Dean of American Correspondents in Moscow revealed. They will now speak freely, which was unheard of during the time of Stalin. Young people indoctrinated to the belief that Stalin was infallible are now beginning to wonder about the situation.

In foreign affairs, Shapiro said the country is attempting to bring Dale Carnegie's theory of attempting to win friends and influence people, principally through outward policy of sweetness and reasonableness. He believes this attitude presents an even greater challenge to the west. He says that China is a satellite of the Russians but more of a partner in Red activities.

As to their dropping H-bombs on us and desecrating our country, Shapiro believes their feelings about the subject are the same as those of the people of this nation — that only a suicidal maniac would start a war today.

However, he revealed one bit of information which we might well become alarmed. That is Russia is currently training twice as many engineers and mechanical builders as are being trained in the United States.

Here in Medina County, Texas, U. S. A. it is hard to know that perhaps some of the alarmists who see the world being blown up by enemy bombs in the next four years may be off base. But we have also been warned about the need for engineers in our country. We can assist in a small way by encouraging bright young people, who have a serious nature, to enter this field of endeavor. After all, their future is at stake.

LETTERS TO THE EDITOR

Dear Bill:

Enclosed please find a check for \$3 to pay for subscription to The Anvil Herald. The Herald will be a news letter each week telling us what is happening down Hondo way.

The family joins me in sending best wishes to you and yours. Sincerely yours,

Leslie A. McDaniel, Pastor

Trinity Methodist Church

San Angelo, Texas.

Mr. Berger,

I have been receiving the Hondo Herald for the past four years and have enjoyed it very much. Being away from home, the Herald brings news of the surrounding communities.

I could send some of the money we are having here at A. F. B. in the Philippines, but address has been changed.

I am sending our new one.

Raymond H. Phaneuf

6925th Radio Group

A. P. O. 74 San Francisco, Calif.

I enjoy the Herald very much and keep up the good works.

Sincerely,

Ray Phaneuf

TEXAS NEEDS...

WILL WILSON
ATTORNEY GENERAL

(Pol. Adv. Paid For By Will Wilson)

EDITORIAL Daniel's Platform

Reprinted from the Seguin Enterprise

Texas voters will be choosing a new chief executive this year, and it is fortunate that Senator Price Daniel decided to seek the governorship. Daniel will make Texas a fine governor.

Senator Daniel has served Texas with distinction—as a state representative, as Speaker of the Texas House of Representatives, as Attorney General, and as U. S. Senator. His decision to be a candidate for governor came only after careful consideration—and because thousands of Texans believe that Price Daniel can better serve his state in Austin than in Washington.

The Seguin Enterprise joins Texans all over the Lone Star State in this thinking. Senator Daniel has a fine platform, and is offering a good program, as follows:

1. Honesty and Integrity—Price Daniel recognizes that the only way for the people to regain confidence in their state government is to elect a governor who will offer simple honesty and moral integrity. "There must be," Sen. Daniel says, "deserved public confidence if we are to have progress and good government."

2. Law Enforcement Commission—Price Daniel suggests that Texas have a commission composed of one representative from each Supreme Judicial District in Texas, whose duty it would be to investigate any charge of official misconduct. Such things as the recent Veterans' land scandals and insurance frauds could thus be studied by an impartial group, removed from the political arena.

3. Legislative Reforms—Price Daniel believes that there must be enacted a strict lobby registration law. In addition, Sen. Daniel believes that members of the legislature should themselves list names of their clients and other sources of income. Further, he would also advocate the same for the executive branch of Texas Government.

4. School Improvements—Price Daniel is ready to work to make the Texas public school system the finest in the nation. Some needs cited are: more classrooms, increased salaries and retirement benefits for teachers; more local self-government in school districts (Daniel is against FORCED integration, believes that local school districts should work out their decisions on this matter.)

5. Narcotics Control — Price Daniel knows that our people, especially our teen-agers, must be protected from narcotics. He knows that strong state laws must be passed to go hand-in-

hand with the federal law he recently helped to get passed.

6. Better and Safer Highways—Price Daniel is for improved highways and rigid highway safety control laws.

7. Pensions and Hospitals—Price Daniel is for improvement in Texas' old age assistance program, as well as for improvement in our state hospital program, with special emphasis on the treatment of the destitute and mentally ill.

8. New Industry—Price Daniel recognizes that Texas can continue to grow, industrially, and is ready to work toward that end.

9. Water Conservation—Price Daniel knows that water is our most valuable natural resource, and believes that Texas must adopt a long-range water conservation program for every river and stream in the state.

10. Farmers and Ranchers—Price Daniel says that as Governor of Texas, he will take an active interest in assisting farmers and ranchers in every way possible. He says, "Our prosperity will not be real or permanent unless it includes those who till the soil and tend the range."

11. Insurance Regulation—Price Daniel is for any improvements needed in Texas insurance laws, and for strict regulation along these lines.

12. Balanced Budget—Price Daniel abhors waste in government, and is 100 per cent for the "pay as you go" amendment now called for in the Texas Constitution. He is also in favor of a restudy of our tax program, and opposes a general sales tax and a state income tax.

These are the main points in the Price Daniel platform. They will mean better state government in Texas!

GMC

LEADS THE WAY

Your key to Blue Chip value

Now-GMC gives you

a bonus of up to 3 gallons
in every tankful!

Talk about low-cost GMC ownership! With its new high-ratio cruising axle, a Blue Chip GMC pickup now gives you up to 17.8% better gas mileage. That's 3 gallons' worth of bonus miles in every filling!

And you get far better road speeds, too, from an easy-stroking, unstrained engine. In short, from a mere \$10.50 axle option, GMC now gives you the advantages of a \$125 overdrive.

Add this new gas-stretching ability to the super-efficiency of a GMC 180 hp V8

engine—to the moneysaving advantages of Hydra-Matic Drive*—and an important fact is clear:

The operation and maintenance savings of Blue Chip features can bring the over-all cost of a half-ton GMC down to the level of—or below—the cheapest stripped-model truck on the market.

Of course, you'd always have preferred a Blue Chip GMC to any other truck. But now—with cost so strongly in its favor—there's no need to step down. Come in and tell us what colors you want on your GMC.

*Optional at moderate extra cost

United States Government Guarantees Individual Rights

What do we mean when we say that in the United States we have a "government of law" and not a "government of men"? Basically, we mean rights, guarantee individual rights, guaranteed by our federal and state constitutions and laws, which may not be denied by any governing body.

The early American colonists had their fill of government by men, and the Declaration of Independence, signed 180 years ago, set out their complaints against that type of government and revealed their belief in a principle which we now accept as basic to our American way of life.

The indictments set out in the document against King George II of Great Britain charged him with numerous violations of that principle. Among the complaints enumerated are the following:

"He has obstructed the dissolved Representative Houses repeatedly, for opposing with manly firmness his invasions on the rights of the people."

"He has obstructed the administration of justice, by refusing his assent for laws for establishing judiciary powers."

"He has made judges dependent on his will alone, for the tenure of their offices, and the amount and payment of their salaries."

"He has refused his assent to laws, the most wholesome and necessary for the public good."

"He has combined with others to subject us to a jurisdiction

foreign to our constitution, and unacknowledged by our laws; giving his assent to their acts of pretended legislation: For depriving us, in many cases, of the benefits of trial by jury; For transporting us beyond seas to be tried for pretended offences; For taking away our charters, abolishing our most valuable laws, and altering fundamentally the forms of our governments; For suspending our own legislatures, and declaring themselves invested with power to legislate for us in all cases whatsoever."

Our forefathers, who subscribed to the principles of the Declaration of Independence, were willing to fight for their beliefs. The Revolutionary War followed, dragging through weary years of suffering and suspense. Each of us takes pride in their eventual triumph over gigantic obstacles.

In 1787, when the framers of our Constitution met at Independence Hall in Philadelphia, where the Declaration of Independence had been signed 11 years previously, they set to work to create a system of checks and balances in government which was to perpetuate the fundamental theory mentioned in the preamble of the earlier document:

"We hold these truths to be self-evident: That all men are created equal; that they are endowed by their Creator with certain unalienable rights; that among these are life, liberty, and the pursuit of happiness."

governments are instituted among men, deriving their just powers from the consent of the governed."

Some 5 years later, the first ten amendments to our Constitution were adopted at one time, specifically detailing various basic civil rights stemming from the underlying theory of the Declaration of Independence.

Our courts day by day guard these rights for us.

Chorus To Give Program

The nationally famous Bel Canto Chorus of Boles Home will be presented at the Hondo Church of Christ, Wednesday at 8 p.m.

The Bel Canto Chorus was organized in 1949, and has gained recognition and acclaim among churches of Christ throughout the nation. Its travels embrace some 15,000 miles each year. They have appeared many times on television and nation-wide radio broadcasts. Their recorded songs have been featured on many religious programs.

The program to be presented in this community will be in three sections—embracing hymns and special songs, a section of familiar and commonly used songs and a group of spirituals. Included in the program will be selections specially arranged for the Bel Canto Male Chorus, the girl's Octet, and the accomplished Bel Canto Male Quartet.

The Chorus for the past four years has been directed by Paul Robert Ober. It is trained by A. Hugh Graham, musical director of the Home.

The Boles Home, from which the Chorus comes, is located at Quinlan, near Dallas, and cares for 225 fatherless boys and girls.

The local Church of Christ extends a very cordial invitation to everyone to attend this free concert.

BUILDING PERMITS

A total of \$15,570 has been issued by the city office in building permits since June 25.

They were:

Jesus A. Ruiz, construct residence.

George E. Graff Jr., construct 2-bedroom dwelling.

Domingo G. Gonzales, construct building.

Lonjinos M. Reyes, remodel residence.

SA Collecting Discarded Valuables

The Salvation Army will begin collecting books, magazines, shoes and anything else of value each week.

Anyone desiring to donate such items, should call the Hondo Chamber of Commerce, Mrs. G. O. Braden, secretary, will pass the information on to the Salvation Army collectors.

Experiments started at Texas A&M College in 1949 have shown that the wet-pad method of greenhouse cooling is practical, economical and efficient and makes year-round greenhouse production possible. Get the details in publication MP-163, Greenhouse Cooling. It's available from the Agricultural Information Office, College Station, Texas.

ANVIL HERALD Dial HA 6-3346

Austin—Politicians are waving their banners. Party leaders seek to rally their cohorts. But right now Texans are far more concerned about water.

Farm and city dwellers alike are hard hit. Years of drought have added up. Sizzling summer temperatures, unabated since the last of May, have finished off crop prospects for 1956 in many areas.

Few expect relief before the end of summer. Most despaired some time ago of rains that would "really break" the drought.

In Austin and elsewhere, attention focused on the often-bitter scrambles for dwindling streamflows. Prolonged and frequently heated testimony has been heard by the State Board of Water Engineers on water rights from the proposed Canyon Dam in South Central Texas.

San Antonio sought permission to take 100,000 acre feet of water annually from the dam. It is the only way, said San Antonio officials, that the city can meet its future water needs.

Guadalupe Blanco River Authority strenuously opposed the request. Joined by citizens of some 20 small towns in the area GBRA contented that the city allocation would not leave enough for downstream users, nor enough to operate a hydro-electric plant.

Testimony is expected to continue for several weeks. Ultimate decision probably will set a precedent for future controversies.

Farther South, the Rio Grande reached its lowest point since it stopped flowing completely in 1953. Falcon Dam was shut down, and a watermaster was appointed to ration the dwindling supply among Valley cities.

Legislators making up the state resources committee came out with an idea for the future. They proposed a \$100,000,000 Texas Water Development Fund. Controversy over whether to finance water conservation by an advance or water-use tax defeated the program last season.

This new approach of financing through bonds would by-pass the difficulty, said proponents. But it would take a long time. First, legislative action; then a constitutional amendment by the people.

Meanwhile farmers are leaving their parched fields and looking for work in town to support their families.

LABOR UNIONS ARE ACTIVE—Members of Texas' labor unions are working hard to place Liberals in control of state and party offices. And, a politically confident tone prevailed among some 1,000 delegates at the State Federation of Labor convention, here.

Union labor leaders, who played a mighty important part in ousting the conservatives from control of the Democratic party, have openly announced that they will campaign to: 1. Elect Ralph Yarborough governor; 2. Elect legislators friendly to labor; 3. Defeat Lt. Gov. Ben Ramsey; 4. Gain control of the state Democratic convention in September; and 5. Elect Liberals to the State

LABOR LAW DECISION PENDING—Texas' right-to-work law now awaits state Supreme Court ruling, possibly July 11.

Opponents and backers of the law clashed sharply in final arguments before the court. Union attorneys declared that the Texas case parallels a Nebraska suit in which the U. S. Supreme Court recently voided that state's right-to-work law in the railway industry. The Texas case presents much broader issues.

Said Atty. Gen. Ben Shepperd, in behalf of the Texas law, "The issue before this court is the right of any Texas citizen to work in his chosen occupation without being forced to give allegiance to any organization which might be against his personal beliefs."

NEW HIGHWAY POLICY—An important new step in state policy has been announced by the Texas Highway Commission, for administering the new Federal highway aid program.

If and when the state provides it more money, the commission will begin to assume part of the heavy cost of right-of-way now borne wholly by cities and counties. This for highways of the primary state system not

This for highways of the primary state system not included in the new federal state system.

CAPITOL AREA TO BE BLED—Plans for a vast, 25-square block area have been unveiled by State Building Commission.

Originally the commission outlined plans for extending grounds northward two to 15th street. This would provide space for the new office and state courts building to be started sometime next year.

In adopting the official master plan, the commission designated future Capitol grounds to the way to 19th street and pointed locations of two future office buildings.

LOCAL OPTION ELECTION VOIDED—A local option election is not legal if it is an area less than an entire precinct.

By this ruling the Third of Civil Appeals made a large section of Austin which has been "dry" for 21 years, doubt on similarly held elsewhere.

The decision is subject to review by the Supreme Court.

RETAIL SALES UP AGAIN—By early June Texas retail had bounced back from its slump. But it failed to reach the 1955 average. Sales per cent from April to May alone goods were up 13 per cent. But for the year as a whole are still substantially below many automobile and appliance sales. Reason given by analysts is producing and overstocking.

SHORT SNORTS—State veterans land funds increased to \$1,299,418 after a district court rendered a judgment for \$45,000 against Little of Crystal City. Little been loser in four suits to \$179,000. Two more are pending.

Texas' share of federal funds will be tripled by the aid bill which has just reached final congressional approval. Gov. Allan Shivers is urging nation's governors to urge legislation to prevent federal from superseding state law.

Trial of Francisco Saenz, former Duval County treasurer, federal income tax evasion, was postponed by the Court at Austin, July 9. A time high bid for mineral on state land was received by University of Texas when a bid of \$4,250,000 on 3,840 acres of County land. This was a record for royalty. Total payments on University land the June awards reached \$254.

Are you going to sit out the summer

Mr. Merchant?

...here are some facts about that Fancied "SUMMER SLUMP"

It's an old retail custom to "sit out" July and August and there are still some merchants who plan their activities for the summer with just that in mind. Bend an ear to Bernard F. Gimbel, of Gimbel Department Store fame. He says:

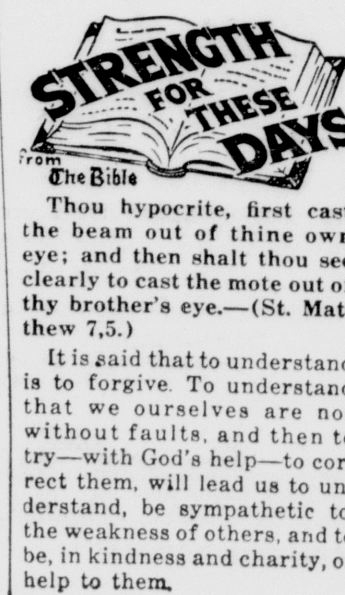

"There is no excuse for reduced promotion by anyone because of a fancied "summer slump." The business is there if we go after it — all summer long."

Newspapers are the fastest medium there is to "go after business with strong promotion and selling." Plan now for business as usual the rest of the summer. Studies by the Curtis Publishing Company reveal that 94 per cent of the population are at home at any one time during the summer. Nine out of ten families are ready to buy any summer's day. Ready to buy vacation things, refrigeration, fans, tires, sporting goods, luggage, suits, dresses, bathing suits, jewelry, furniture, food... the entire list.

For quick planning on a newspaper campaign to smooth the summer slump, call in this newspaper's representative. Set a sales goal for July and August. Set aside an advertising allowance (usually between 2 and 4 per cent of anticipated sales). Prepare a day by day schedule and start asking for business.

Newspapers never have a "summer slump" in circulation. Just as many people read in the summer as they do in the winter. There is no fluctuation in newspaper coverage. Take a tip from Mr. Gimbel: "Go after that business with strong promotion and selling."

Hondo Anvil Herald

It is said that to understand is to forgive. To understand that we ourselves are not without faults, and then to try—with God's help—to correct them, will lead us to understand, be sympathetic to, the weakness of others, and to be, in kindness and charity, of help to them.

United States And Russia Race To Spend More Money

Editor's note: The Seco Philosopher on his Johnson grass is confusing international problems with his own, his letter week indicates.

Dear editor:

I don't always follow too accurately some of the news I read in the newspapers that turn up here, although I don't know what I mean, but at any rate frequently aren't, if you are reading an article one night that has me puzzled.

According to it, there's a race between the United States and Russia to see which one can furnish the most money to build a dam in Egypt, so that the country can irrigate its land and produce more.

Now I'm not going into the economics of the United States, but somebody else produce agricultural products when they are about to choke to death with surplus here at home, but what interests me is the contest.

Naturally, I wouldn't be interested in a contest between the United States and a foreign country to see which one could furnish the most money to help me dig a water well on my farm out here, that'd be impractical, but in order for the United

(Pol. Adv. Paid for by A. M. AIKIN, JR.)

States to sort of sharpen up on its training in this line, why couldn't the Republicans and the Democrats get in a contest to see which one could furnish me the most money to dig a water well?

If the Democrats offered to loan me the money at 4 per cent to dig the well, the Republicans could counter with an offer of 2 per cent, to be countered by the Democrats with an offer of no interest, to be countered by the Democrats with an offer to dig the well, put in a pump, install a hot water heater, and furnish a ten-year supply of soap and towels.

The whole purpose of this, of course, would be to keep me on one side or the other, the same as is the case with Egypt, and while I don't know anything about Egypt, I know something about myself and I figure my sentiments would lie with the side that made the best offer until the well ran dry, and if you ask me that's a pretty expensive way to win friends and keep allies, especially when they're in no better shape than me and Egypt, but you've got to remember I sure could use a new water well.

Yours faithfully,
J. A.

RIO MEDINA NEWS
By Mrs. Clarence Huegele

M&M Claude Tondre and children of Castroville and Misses Katy and Clara Wurzbach were dinner guests of M&M Joe W. Stein and family Sunday.

M&M Oscar Schott and family were in Corpus Christi for a few days last week.

M&M Gus Mechler and son, Quincy and M&M E. C. Huegele of San Antonio, visited Mrs. O. W. Huegele Sunday.

Draft Call For 639 Is Released

AUSTIN—The August draft call for Texas asks for 639 men, compared to 641 for July, Col. Morris S. Schwartz, state Selective Service director, announced Thursday.

This is the state's share of a national call for 13,000 men, all for the Army.

At the same time, Col. Schwartz announced an August call on approximately half the state's draft boards for 1,134 men to take pre-induction physical and mental examinations for future calls.

He said that the boards not receiving a quota for these examinations in August already had been called upon to furnish men for examination in July.

Local board calls for August induction and pre-induction examination were mailed from state Selective Service headquarters on July 3.

The August quota will be filled with men who are 22 years of age or older on July 1, with the volunteers, who may be younger.

Here In Hondo

Mrs. Jerome J. Zinsmeyer and Suanne, Mrs. W. T. Hardy, Billy, Bob and Charles, spent a few days at Corpus Christi and Port Aransas last week.

John Hardy returned Wednesday from a trip to Oklahoma City, where he visited his uncle and aunt, M&M E. S. Hardy.

Visiting with M&M Elmer Nietenhoefer this past week were Mrs. Herman Lindeburg, Mrs. Henry Loessberg, Mrs. Maurice Fohn, Mrs. Herbert Decker, M&M Emil Lindeburg, Mrs. Charles Nietenhoefer and M&M Chester Saathoff, Myron, Lynell and Cornell.

M&M Chris Nietenhoefer entertained their son, Elmer and his family on his birthday, July 4, with a barbecue dinner. Also present was M&M Elbert Wiemers.

The Arthur Grell's have received word that their son, Milton, who is attending a national radio and television school in Los Angeles, Calif., has received his diploma in radio. One of five students with an "A" average, he also received a certificate of merit. He will continue his studies in advanced television.

From where I sit ... by Joe Marsh

"Keep The Change"

If you've seen "Mac" Johnson this week, chances are he's told you his waitress story. For those who haven't heard:

"Mac" recently stopped at an out-of-town diner. He ordered the chef's special—and his waitress (brand new on the job) made every possible mistake. She confused the order, spilled the soup, dropped the rolls, brought him a wrong dessert.

Despite it all, "Mac" left a substantial tip. But she smiled and handed the money back. "Keep it, Mister—you've sure earned

it more than I have," she said.

From where I sit, that girl deserves credit for admitting her shortcomings—something not everyone is big enough to do. For instance, I'm convinced lots of folks know they're wrong when they deny me the right to a glass of beer with my supper . . . just because they happen to prefer some other beverage. They wouldn't like me ordering them to accept my choice.

Hondo Boys To Attend FFA Meeting

Six Hondo boys, all members of the Hondo FFA Chapter, will go to Dallas July 25-27 for the 28th Annual convention of the Texas Association of FFA.

The boys will be headed by Bobby Taylor, voting delegate and John E. McAnelly, vocational agriculture teacher, will accompany them.

Others who will make the trip from Hondo include William Reus, George Koch, Butch Smith, Kenneth Grell and Richard Moos.

Life In Biry . . .

HD Club Makes Plans For Christmas Party

By Mrs. Adolph Hutzler

The Biry Home Demonstration Club, meeting July 2, worked out duties for the annual Christmas party, and also helped two 4-H club girls make dresses.

It was an all-day affair, and members carried covered dishes for lunch.

Plans were made for an all-day quilting party which was held July 11. Five members were present for the meeting.

M&M J. J. Kamel visited here Friday with their daughter, Mrs. Roy Anderson and Roy Jr.

M&M Jimmy Eisenhower of San Antonio, visited over the weekend at their summer home here.

M&M Justin Davis and daughter of Austin, visited last weekend with Mrs. Alice Littleton here and M&M L. M. Davis at Devine. M&M Rudolph Bayer and fam-

ily of Castroville, were guests of M&M Rudolph Pasch last weekend.

Miss Darlene Davis returned home after a two week visit with M&M Justin Davis and daughters at Austin.

M&M Adolph Hutzler, Anita, David and Cynthia Hutzler, were Hondo business visitors Thursday.

M&M Lloyd Biry from Seadrift, were guests of M&M Randolph Haass and sons last week. Douglas Haass returned home after a few weeks visit with the Biry's at Seadrift.

Mrs. Earl Love, M&M Otto Burrell and Elmer and M&M Adolph Hutzler were all at Devine shopping Friday afternoon.

One of the largest crowds ever to attend the annual picnic at the Keller Park turned out for the July 4 barbecue.

M&M Shaw of Poteet, visited Mrs. Shaw's mother, Mrs. Adela Heath last week.

Alfred Biry and friend of San Antonio, visited his father, Fred Biry, over the weekend.

Mrs. Katie Conrad and daughter, Olga, and son, Alex, visited at the Henry Salzmann home at LaCoste last week. Mr. Salzmann has been ill and is the brother of Mrs. Conrad.

M&M Harold Hutzler and Sylvia of San Antonio, visited in the Adolph Hutzler home Sunday. Cynthia Hutzler returned home with her parents after a few days' visit with her grandparents here.

M&M Ralph Hutzler and Timothy of Del Rio, returned to their home Wednesday after a week vacation here. They were accompanied by Melvin Hutzler who visited with his brother and family for several days.

M&M Hy Biry, Mrs. Langfelt and Ella Bader of D'Hanis, were here for the St. Joseph Picnic July 4 and visited with relatives while here.

M&M Alvin Bader were Sunday dinner guests of M&M Jimmy Eisenhower of San Antonio, at their summer home here.

Mrs. Albina Wernette and M&M Leroy Wernette and children, of Pleasanton and M&M Leroy Haby and family, were guests at the home of Rudolph Haby and son at Medina Lake July 4.

Miss Ella Bader of D'Hanis visited over the weekend with her parents. Other guests of the Ed Baders Saturday were M&M Ralph Bader, M&M Amos Hitzfelder and daughters, Mary Ann, Patsy, Donna and Marilyn.

D'Hanis Homecoming Set

By Mrs. Amos Finger

D'Hanis — Plans for the annual homecoming celebration at D'Hanis were made at a meeting in St. Dominic's Hall last week. The event will be sponsored by Holy Cross Parish Sunday, Aug. 5.

Lawrence Rothe, general chairman, appointed committees for the work. In charge of the preparation of food for the barbecue dinner are the following:

Bonnard Rothe, meat; Mrs. Maurice Koch, Mrs. Rely Carle, John J. Nester, Mrs. Cletus Batto, Louis Carle Jr., Hilmar J. Koch, Mrs. R. F. Wolff, Mrs. Herman Ney, John Zinsmeyer, and the Caballeros de San Jose.

Mrs. Joe M. Zinsmeyer is in charge of serving the meal. Selling and collecting tickets will be A. J. Finger, Herman Ney, Herman Poerner and Paul Poerner. Shade and amusements on the grounds will be taken care of by M. H. Ney, Mrs. Louis Carle, Lawrence Carle, Julius Schmitt, and David Zinsmeyer. Raymond Wolff is publicity chairman.

M&M Ben Koch had as guests for the week their grandchildren, Mark and Colette Flusche, of San Antonio. Tuesday, the children are joining their parents, M&M

M. J. Flusche, for a trip to Colorado while Benny Flusche stays with his grandparents.

Guests numbering 108 gathered at the Koch ranch on the Fourth for the annual reunion of the M. M. Koch descendants. All were rejoicing over the five inch rain on the previous Monday.

Miss Della Ney and W. J. Ney of Hondo visited their aunt, Mrs. H. C. Rothe Monday.

Mrs. Theresa Netherlin of Devine was a guest of her sister, Mrs. Joe Lutz, Sunday.

Mrs. Dora Bendele was notified last week of an accident that happened to her grandson, Ray Bendele, son of the Calvin Bendeles of Ganado. The child fell 15 feet from the football bleachers there, and injuries included a fractured skull.

Mrs. John Henry Poerner is under medical treatment in a SA hospital.

Guests of M&M Frank Surovik Friday and Saturday were M&M Louis Ernst of San Antonio, M&M Ervin Ernst of Baytown

and M-Sgt. and Mrs. Ned Ernst of San Marcos.

Mrs. Alma Burke and Jerry, traveled to Dallas to visit with her children, Billy and A. E. Burier last week. Her son Claud of California visited with them for the Fourth.

Charles Nester of Seguin visited with her grand parents, Albert Nester, over the weekend.

Visitors in the W. W. Koch home during the weekend were Mrs. Herman Mask of Hondo, M&M Tommy Garteiser and of Corpus Christi and mother, Mrs. Helen Mills.

Mills has sold her home and now reside with her daughter, Corpus Christi, M&M Otis Bader and family are now living in Mills home.

Mrs. Tom Finger and daughter, Mollie, visited in San Antonio Saturday and Sunday with M. A. T. Licata on their ranch, New Braunfels.

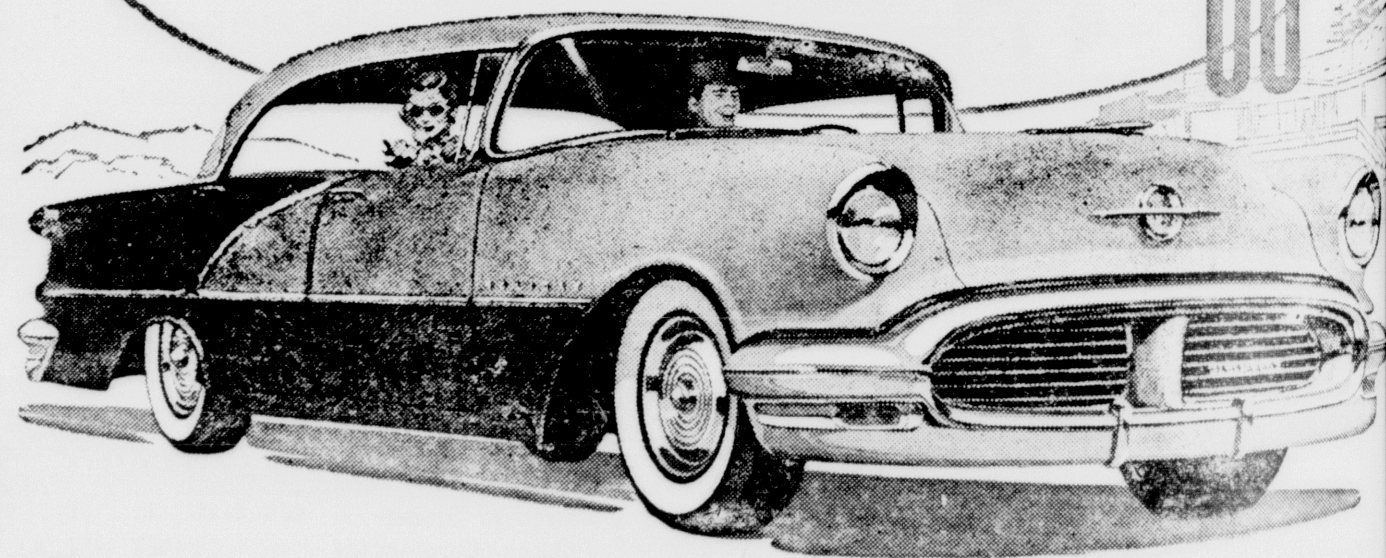

M&M John J. Nester, daughters, visited in San Antonio Saturday and Sunday with M. A. T. Licata on their ranch, New Braunfels.

Henry Salzmann of LaCoste buried Monday. He was the son of Mrs. Harold Nester.

SPEAKING OF SPORTS

By Dr. John H. Jennings

Hwy. 90 All Star
The annual Highway 90 All-Star game will be played in Hondo Friday night as the three East teams play the four West Clubs. Castroville, LaCoste and Rio Medina comprise the East while Hondo, HAB, D'Hanis and Quihi form the West unit.

This is always a highlight of the Highway 90 League Season and one that is full of interest.

All the participants are not known as of this writing, but the Hondo boys selected will be Blanton Taylor, Montie Williams, Glen Schweers and Jerry Muenink, which is a fine start for any ball club.

This Week Games

All Star Game,
Friday night at Hondo
Rio Medina at Quihi
LaCoste at Castroville
HAB at D'Hanis
Hondo, open

Tile Showdown

The July 22 game between Hondo and Rio shapes up to be THE important game for each club. Hondo must have a win to tie for a first division spot...and a win by Rio would give them a little breathing room. In the final round Hondo has successfully disposed of D'Hanis and must meet every other team in the League, while Rio has defeated Castroville and has the balance of the League to play. D'Hanis appears next in line to fall out of the first division. The July 29 game between Rio at D'Hanis could shape up to be an important game too.

Legion Team Defeated

The Local Hal Jones Post team lost a hard first game of the best two of three Series to Alamo Heights Post last Tuesday night, 2 to 0. Devine's Bush pitched himself a fine ball game allowing only one hit...that in the sixth, but the Alamo Heights hurler was doing just as well as he too pitched one hit ball!

The visitors got their two runs in the third without the benefit of a hit. Bush walked a man—then two passed balls advanced run scored on a roller to second base where an error on a bad throw to home allowed the run to score. The next run came home as a ground ball went through Alvin Hartman at second. So the inning ended like this: two runs on NO hits, two errors and three passed balls by the catcher.

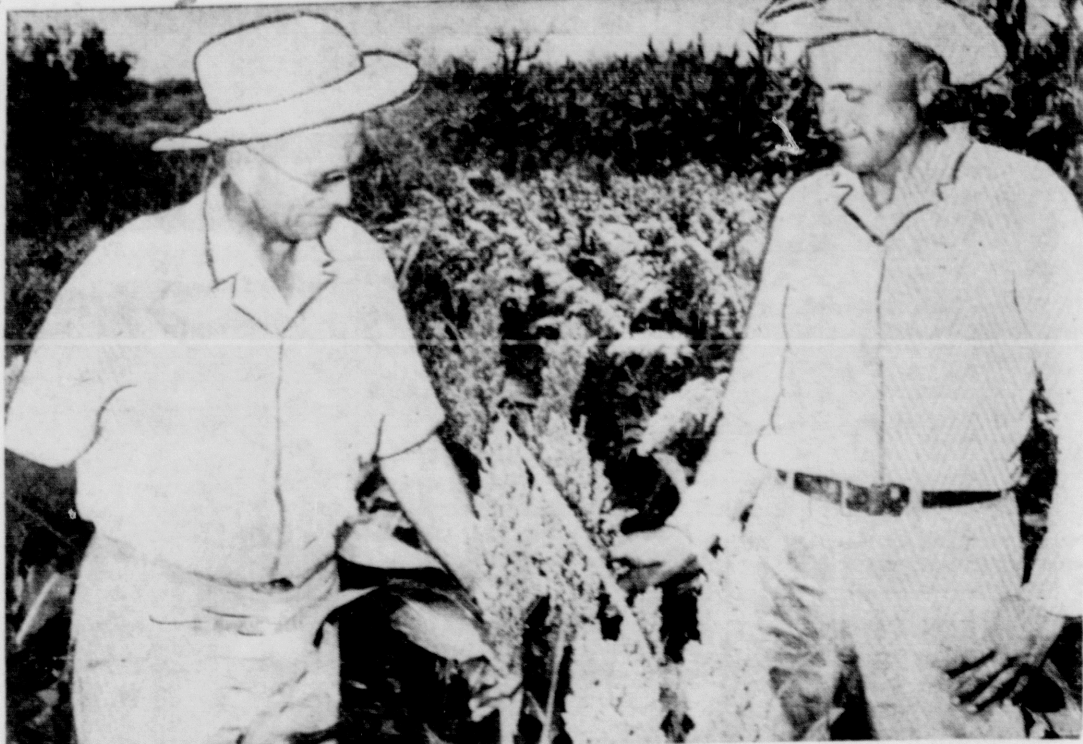

Castroville's Haby got the only hit for the locals—a line shot to right center. Alamo Heights got their hit in the sixth...to right field. Hondo got men on second and third in the third, but failed to score—and got two men on in the sixth via walks, without a tally.

To top it all, the visitors hit one fly ball to the outfield, while Hondo failed to get a ball out of the infield with the exception of Haby's single.

The Teams played again Wednesday afternoon in San Antonio.

Clint Hartung

Big Clint is doing very well with the Sinton Oilers...seems like he hit about eight home runs the first two weeks of the season...then had to go out with an injury. About two weeks ago he slid into third base after a triple and pulled some leg ligaments loose in a game against Brooks General of San Antonio. They say the night before he hit a ball that sailed over a 400 foot plus marker and wound up hitting a barrack some 325 feet from home plate... No wonder the San Antonio Missions would like Big Floppy in the fold.

LOOKING OVER GRAIN sorghums are, left, C. B. Gaston, county agent, and Reynold Keller, Castroville. Irrigation made the difference in this field, as

compared to other plots planted over the county. The drought claimed all other plots planted for experimental purposes. —Staff Photo

Hondo Legion Baseballers Bow To Alamo Heights In Playoffs

A tough Alamo Heights Legion nine from San Antonio bumped the Hondo Legionnaires out of a further share in the American Legion playoffs by winning two games, 2-0 and 12-7, this week.

In the opening game of the best two out-of-three Bi-District series, Fred Johnson of San Antonio and Bush, hurling for Hondo, locked horns in a pitcher's duel that saw only two base hits.

Shortstop Steve Haby collected Hondo's only base blow, a double in the third inning. Lone Alamo Heights hit came off the bat of Bill Waites in the sixth frame.

The San Antonio team got its only runs of the ballgame in the last of the third without the benefit of a hit. Two walks, two passed balls, a wild pitch and a fielder's choice figured in the Alamo Heights' scoring.

Johnson, the winning pitcher, struck out eight while Hondo's Bush whiffed 10. The only hit off Bush came in the bottom of the sixth, and it was a single.

In the second game of the series played at San Antonio (Both games were at San Antonio), the Hondo Legionnaires jumped off to a commanding 3-0 lead and held it going into the fourth, when Alamo Heights exploded for 10 runs.

Steve Haby singled to lead-off the third inning, and Justin Jungman followed with a walk. An error by the San Antonio first sacker allowed Haby to cross the plate with the first run of the day.

Hondo counted again—twice this time—in the top of the fourth. After one out D. Haby and Francis Lutz smacked back to back singles and raced home when Steve Haby lashed a triple.

Trailing 0-3, Alamo Heights got things going early in the bottom of the fourth frame, and trotted

Hwy. 90 Standings

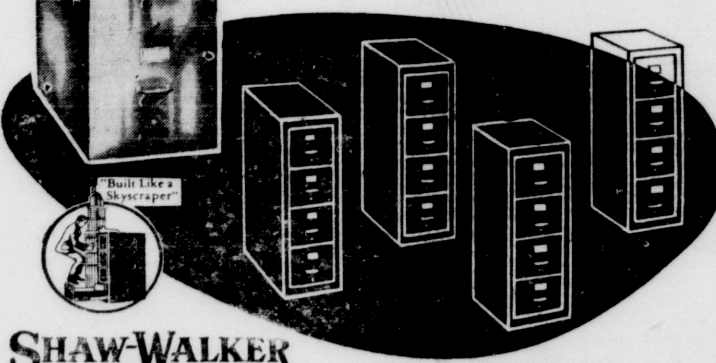

We are not sure if these are the official standings of Highway 90... but until we stand corrected, this is it.

Jose Rodriguez, disturbing the peace, fined \$1.
Arnando Morales, disturbing the peace, fined \$1.

Macus Jimenez Jr., interfering with officer.
Jesus Barron, disturbing the peace, fined \$1.

Benturo Leyba, disturbing the peace, fined \$1.

HIGHLIGHTS and SIDELIGHTS

AUSTIN, Tex.—Income and expense reports of candidates show Daniel, Aikin and Wilson leading in both receipts and expenditures, in their respective fields.

U. S. Sen. Price Daniel was far out in front in financial support. He listed contributions totaling \$112,849.

Other gubernatorial contenders' kitties stacked up thusly: Reuben Senterfitt, \$31,772; Ralph Yarborough \$23,865; W. Lee O'Daniel \$1,770.

Sen. A. M. Aikin Jr. led in the Lt. Governor's race with \$19,657 in contributions, as compared with \$8,125 for Lt. Gov. Ben Ramsey and \$6,300 for John Lee Smith.

Will Wilson was far ahead of the pack in the attorney general's race, reporting financial support totaling \$21,021.

On the expenditure side of the ledger the leaders held the same positions. In the Governor's race, Daniel spent \$82,474; Senterfitt \$32,081; Yarborough \$25,826; and O'Daniel \$20,589.

Among the candidates for Lt. Governor, Aikin reported expenses of \$12,244.82; Ramsey \$7,003; and Smith \$8,583.05.

Wilson again outdistanced his competitors in the campaign for attorney general with a total expenditure of \$10,962.

SHOTS CUT POLIO—State Health Department officials believe Salk shots enabled Texans to avert a bad polio year.

Pre-season incidence of polio, they point out, was unusually high this year—224 cases as compared to 167 in 1955. But as the season progressed, immunization was stepped up. Since April 28 there have been only 269 cases compared to 375 in the same period last year.

"This would have been a major polio year," said one official. "Salk vaccine apparently is the answer to why it isn't."

FARM INCOME—Texans farm income thus far in 1956 has slid 13 per cent from last year.

Inadequate moisture was the major cause.

Prices were off only three per cent. Therefore, most of the drop came from smaller marketings.

State officials took note of the farmers' worsening plight. Gov. Allan Shivers announced the U.S. Dept. of Agriculture has approved extension of the emergency drought feed program for 64 counties.

A request for direct payments to enable drought-hit farmers to purchase hay on the open market was turned over to the state defense and disaster relief office.

It came from the Texas Farm Bureau president who said the present federal program is inadequate.

John White, state agriculture commissioner, said the state's rural economy, in many areas, is in the final stages of collapse. Ghost towns are in the making in the heart of some of our richest agricultural lands, he said.

Last week's widely scattered rain brought only temporary relief to some Southwest Texas areas, reported the Agricultural Extension Service.

In most sections, said the service, drought is spreading. Result: feed crops are being lost and livestock sold off in large numbers.

Girls Win 4-2 Over Comets

Hondo's Hurricanes chalked up another victory Monday night, as they turned back a strong Castroville nine 4 to 2 on the Hondo field.

Getting off to a fast start, both the Hurricanes and the Comets scored in the first inning—Hondo scoring two with Castroville managing to push only one run across the plate.

The Hurricanes then forged ahead with two more runs against one for the Comets, winning the game by a close two-run margin.

The game marked Hondo's eighth win against only two losses.

The girl's softball team will play in the Devine Invitational Tournament, starting Monday and lasting until the end of the week.

Hondo Bears Win Pair Last Weekend

The Hondo Bears continued in their winning ways last weekend, taking two games, one from the Hondo Braves and the other from a San Antonio team.

After defeating the Braves 9 to 6, the Bears turned around to push across 19 runs against the Red Eagles of San Antonio, while they managed only 11 runs.

In earning the 19 runs, the Bears managed to slam out 22 hits.

Yam Plant Operating In Natalia

NATALIA— Natalia's newest industry is a sweet potato packing plant, located south of the Missouri Pacific Depot and west of the Marshall Canning Co., along the MP Track.

The Yam-Tex Company, has purchased the old railroad packing shed and is now in the process of a complete overhaul job, making ready for the packing and shipping of Texas yams, grown from leased acreage as far south as Pearsall.

According to Jack Keller, general manager of the concern, the company is planning to ship some 200 to 250 cars of crated yams this season, to various markets over a large part of the United States. Keller says they will probably employ some 35 or 40 people this season but hope to enlarge their output next year.

Crops will probably begin moving within the next 30 days and the public is welcome to come by and witness the packing operation, according to Keller.

Here In Hondo

Mrs. Homer Wilson and daughter, Paula, and Ruthie Crow attended the meetings of the Rain-bow Girls held in San Antonio this week.

Mrs. A. G. Hollaway was in Fredericksburg this week for the funeral of an aunt.

M&M Tom Kuykendall and children returned Wednesday evening from a vacation trip which took them to San Angelo where they visited the Doyle Lanes, formerly of Hondo, to Cherokee where they visited his parents, and then to Corpus Christi.

Recent guests of Mr. and Mrs. John Gore were their daughter and family, M&M Tom Hays and daughters, Toni and Linda, and little Miss Beth Izard all of Dallas. Linda and Beth stayed over for a longer visit and left for their home Wednesday.

Noonan-Pearson

By Mrs. Louis Stein

Alvin May and Leroy Stein were at LaCoste Tuesday.

M&M Albert Tschirhart were at Castroville Tuesday.

M&M Ben Ruby were San Antonio visitors Tuesday.

M&M Louis Stein and son attended the Baker-Pringlewedding at Devine last Saturday evening.

Mrs. Albert Tschirhart, Mrs. Roy Tschirhart and children, and Mrs. Louis Stein were at San Antonio last Thursday.

Mrs. Lois Kuby and Barbara were at Devine last Saturday evening.

Albert Tschirhart and Louis Stein were Hondo business visitors last Thursday.

Gerald Tschirhart visited with M&M George Echtle and family at LaCoste last Thursday.

No matter how uncomfortable the weather is, you can relax at home and still make your regular deposits at the Hondo National Bank. Just endorse your checks "for deposit" and mail them to this bank where they will be credited to your checking or savings account—another Hondo National Bank service at NO extra cost.

Castroville Cub Scouts Get Awards

Castroville Cub Scout Pack 310 presented awards to members during a regular meeting last Friday night.

One year service stars were given Johnny McFadden, Dennis Biediger, Ralph Aguirre, Mike Barros, Robbie Koenig, Claude Tondre, Harold Trip, Loy Batello and Gary Krenmueller.

Tondre was awarded the Bear rank and arrow points were presented to Barros and Krenmueller.

Mr. and Mrs. Henry Tschirhart have been named Den Mother and Den Dad for Den Two. They succeed Mr. and Mrs. G. M. McFadden, who have led the boys since it was organized.

Arthur Dale Attends

Fire School

Arthur T. Dale, Hondo fireman, left Sunday to attend a Fireman's Training School at Texas A&M College at College Station.

A three cent decrease in key insurance rates will be granted if Dale passes the course. Two other persons were to attend the course but cancelled their trip due to personal matters. Had all three attended, the key insurance rate decrease would have been five cents.

The course will last until the end of the week.

Farmers Will Vote Quotas

Medina County farmers vote on the wheat quota referendum July 23, at the ASC office in Hondo. Polls open at 8 a.m. and close at 5 p.m.

Eligible voters include those who will have more than 10 acres of wheat for harvest in 1957. Quotas do not affect those farmers who harvest 10 acres or less of wheat for on a farm.

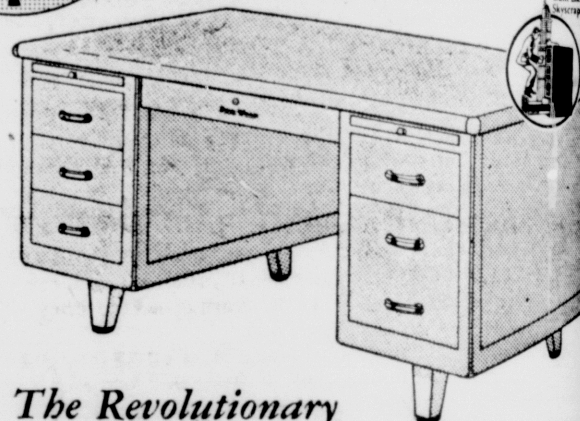

If approved by a two-thirds majority, the referendum will be in effect for 1957, and support will be available to those who have complied between 75 and 90 per cent. Those farmers who exceed larger of the farm allowed 15 acres, will be subject penalty of 45 per cent of price for wheat on the production.

If more than one-third of growers voting disapprove quotas, they will not be in effect and price support will be able to farmers who have complied with their farm wheat quotas at 50 per cent of price.

Former Resident Dies In Dallas

L. L. Dorsey, husband of former Abbie Bradley of Hondo, died of a heart attack home in Dallas June 27. Services were held in Dallas.

TIME-ENGINEER to help you get more done

The Revolutionary WORK-ORGANIZER DESK

This Shaw-Walker desk is "time-engineered" to eliminate clutter, confusion and wasted motions...to keep your desk top clear of everything but the immediate job.

Reference material, papers and working tools are "organized" by ingenious drawer interiors which pre-position everything for finger-tip accessibility. Lost motions and mental detours are eliminated or substantially reduced.

The Shaw-Walker patented, rimless roll-edge top is the most comfortable working top ever invented—and the most beautiful. You must see this "machine-like" desk to appreciate its distinctive styling and the numerous work-saving economies it can effect for you.
